If you believe there is a pollution risk as a result of a spillage then the following procedure should be followed:

- Contain spillages whenever possible
- Call the Environment Agency’s Emergency / SEPA’s Helpline on 0800 80 70 60 and pass on information regarding type of spillage. They will require the same contact information as for fire.

Other important telephone numbers include:

Contact	Location	Telephone Number
Manager (out of hours)		
Local Police		
Electrician		
Plumber
